Supply of power to Irrigation pumps in Kolar District.

Q.*—89. **Sri T. RAMACHAR (Kolar District—General).—

Will the Government be pleased to state:—

(*a*) the number of pending applications for supply of power to irrigation pumps in Kolar District;

(*b*) the number of cases in which power supply has been sanctioned together with dates of sanction;

(*c*) the number of cases in which the work has not been taken up in spite of sanction of power.

(*d*) the reasons for the delay in taking up the work;

(*e*) if supply of power has been given to industrial concerns such as rice and flour mills in preference to irrigation pumps?

(Talukwar figures may kindly be furnished).

A.—**Sri K. T. BHASHYAM** (Minister for Law and Labour).—

(*a*) 43.

(*b*) 77, dates of sanction range from June 1946 to August 1950.

(*c*) 58.

(*d*) Paucity of essential materials like Transformers, Copper wire, Poles, etc., and some of the parties have not observed the necessary formalities; some have not installed the Pump Sets and some have not sent their completion reports through licensed electrical contractors.

(*e*) Highest priority is being given to power supply to irrigation pumps and power supply to others like flour mills, etc., is being arranged only when it does not involve in the installation of additional transformers, etc.

Outside assistance to meet deficiency in foodgrains for 1950-51.

Q.*—99. **Janab MOHAMED VALIULLA (Kolar—Muslim).—

Will the Government be pleased to state:—

the quantity of foodgrains required from outside to meet the food deficiency in the State for the year 1950-51?

A.—**Sri T. MARIAPPA** (Home Minister).—

The extent of outside assistance required in 1950-51 depends upon the out-turn of crop in the ensuing harvest of which it is too early to form any definite idea. But our estimates of foodgrains being based on the calendar year, the imports of foodgrains required from outside to supplement the existing stocks till the end of the year, with a monthly carry-over for consumption during January 1951, are as noted below:—

Rice	...	20,610 tons.
Wheat	...	31,346 ,,
Millets	...	22,039 ,,
Total	...	73,995 ,,
